NOT ALL WATER IS CREATED

equal

Create oxidised to alkalised waters for low-tox, eco and health conscious living from your kitchen tap.

Nourish your body with filtered electrolysed-reduced water, full of rich hydrogen, free radical scavengers and antioxidants.

Save the planet by reducing plastic waste, chemicals in your home, on your body, in waterways and the ocean.

Save thousands in your lifetime by replacing harmful cleaners and chemicals with non toxic oxidised and alkalised waters from Enagic® ionisers.

ENAGIC® & KANGEN WATER™

Since 1974 Japanese company, Enagic® International has been considered the leader in innovation and production of Japanese medical grade water ionization.

Enagic's® philosophy 'Change your Water, Change your Life™' centres around realising true mental, physical and financial health.

Kangen Water™ is electrolysed-reduced ionised water created by a certified Enagic® Japanese medical grade machine.

**KANGEN WATER®
(ALKALINE WATER)
PROVIDES BETTER HYDRATION
THAN PURIFIED WATER**

Research suggests that electrolyzed alkaline water **rehydrates healthy individuals after exercising better than purified water.**

**KANGEN WATER®
GREATLY REDUCES WASTE
FROM SINGLE USE PLASTIC
BOTTLES**

- Data from 2017 shows 42.1 gallons of bottled water per capital were consumed in the USA. That equals about 320 500ml bottles of water per person for the year. The population of the United States in 2017 was 325.7 million.
- That means in the USA alone : 104,224,000,000 bottles of waste in 2017 ALONE.
- A typical family of 4 equaled 1280 bottles of waste in 2017.
- Kangen Water does not use single use bottles for consumption. Greatly reducing your ecological footprint with every use.

BEAUTY WATER HAS THE SAME PH AS MANY EXPENSIVE SKIN TONERS AT A FRACTION OF THE COST

Your skin has a natural pH generally between 4.5pH and around 6.0pH. A large number of soaps and shampoos have been shown to be very alkaline. Using Beauty water on your skin helps to return your skin to its natural pH levels.

This is the reason many skin toners and other skin care products pH is generally around 5.5pH. You can get the same pH water right from your machine for a fraction of the cost of skin toners.

Skin toners can cost anywhere from \$5-\$300 for an 8 oz bottle.

USING STRONG KANGEN WATER TO CLEAN YOUR FRUITS AND VEGETABLES IMPROVES THE TASTE AND TEXTURE.

Strong Kangen water is a great cleaning solution. Not only can it help clean and break up oil, but it is excellent at cleaning produce. It easily removes dirt and grime from your fresh fruit and vegetables.

STRONG ACIDIC WATER HAS BEEN SHOWN TO REDUCE BACTERIA AND VIRUSES.

Strong Acidic Water is great to use in the kitchen and bathroom when cleaning. It has been shown to reduce bacteria and viruses. Use it after first washing with Strong Kangen Water for even better results.

Strong Acidic Water can also be used on your fresh produce to get them even cleaner! Just rinse them in some clean water after soaking.

Strong Acidic Water has NOT been tested against Coronavirus and it is a violation of Enagic Policies and Procedures, and against the law, to claim otherwise.

KANGEN K8 MACHINE

Antioxidant Power

The mighty K8 is a mighty antioxidant producer! The K8 water ionizer generates a continuous stream of 5 versatile types of water to meet all your versatile commercial needs: Strong Kangen Water™, Kangen Water™, Neutral Water, Beauty Water, and Strong Acidic Water.

Full Colour LCD Panel

The K8 is extremely user-friendly, thanks to a large full colour LCD panel and clear voice prompts. With just a touch of a button, you can have access to any of the 5 waters you choose. Your machine will confirm the water you have selected with a pleasant voice (she speaks 8 languages), and in moments the machine will generate ionized water through a flexible pipe.

8 Titanium Plates

The K8 is similar to Enagic's® Flagship SD501, but it contains an extra platinum-coated titanium plate. The additional plate means improved water ionization, increase antioxidant production potential, and stable production of pH and ORP at a higher flow rate. The K8 is great for small businesses and families. The K8 comes with a 5 year manufacturers warranty (conditions apply) and recommended lifespan of 15 - 25 years.
